

# The Boss

Turin Brakes

Saturday night, where am i going?  
I'm going to work inside a kitchen  
I'll be making you mush and cleaning the deep fat fryer  
Here he comes now the king of irony

Whos good to you?  
I am i am the boss  
Whos good to you?  
I am i am the boss of the century

Loving a good steak feeling fancy  
Hopping around like the pig that you are  
I'm stuck to this sink like a twisted bar fly  
A good view from the window but i ain't got no wings

Whos good to you?  
I am i am the boss  
Whos good to you?  
I am i am the boss of the century

Whos good to you?  
I am i am the boss  
Whos good to you?  
I am i am the boss of the century, of the century

Whos good to you?

Whos good to you?

Whos good to you?

Whos good to you?, yeah
