

## What Got in the Way

Turnover

Julia, I tried Tried to make it right Julia, I'm leaving tomorrow  
Lay with me tonight Like I remember... [Chorus] Yesterday September rain  
was keeping me awake While you were asleep I wondered what was  
in your dreams And what got in the way  
Julia, I tried Tried to keep you warm Watched you fall into a depression  
That we've seen before I don't remember...  
Ah ah ah ahaahaaaaa Ah ah ah ahaahaaaaa Ah ah ah ahaahaaaaa Ah ah ah  
aahaaaaa ahahaaa  
Yesterday September rain was keeping me awake While you were asleep  
I wondered what was in your dreams And what got in the way  
I knew that this was wrong But I had to see it for myself There's  
always new ideas They're not always the right ones I don't know  
what's good enough But I know I need to change my mind Maybe all  
you needed was A little more of my attention
