

## In A Manner Of Speaking

Tuxedomoon

In a manner of speaking  
I just want to say  
That I could never forget the way  
You told me everything  
By saying nothing

In a manner of speaking  
I don't understand  
How love in silence becomes reprimand  
But the way that I feel about you  
Is beyond words

O give me the words  
Give me the words  
That tell me nothing  
O give me the words  
Give me the words  
That tell me everything

In a manner of speaking  
Semantics won't do  
In this life that we live, we only make do  
And the way that we feel  
Might have to be sacrificed

So in a manner of speaking  
I just want to say  
That just like you I should find a way  
To tell you everything  
By saying nothing.

O give me the words  
Give me the words  
That tell me nothing  
O give me the words  
Give me the words  
Give me the words
