

# Loneliness

Tuxedomoon

Here comes loneliness  
Here comes the onlyness  
Here comes his holiness  
Here comes loneliness  
Here comes another day  
Here comes the only way  
Here comes loneliness  
Here comes the onlyness  
Here comes loneliness  
Here comes the onlyness  
Here comes another day  
Here comes the only way  
Here comes the morning sun  
Here comes another one  
Here comes loneliness  
Here comes the onlyness  
Here comes loneliness  
Here comes your history
