

Time To Lose

Tuxedomoon

You remember
You said you had
No time to lose

But there'll be time
For everything when you return
When you come back
We'll have all the time in the world

When you come back
There'll be nothing to lose
But the world
But the world

What a man wants
Whatever a man wants
What a man wants
Can be said in three words

What we can't talk about
What we can't talk about
What we can't talk about
We pass over in silence
