## What Use?

## Tuxedomoon

What's the use Of feeling betrayed What's the use Of feeling at all I'm pacing the floor I'm wearing it smooth This is stupid I think i'll go home What's the use Of moving uptown Fly to Rome On your credit card An endless parade Of lawyers and finance Plenty of time with nothing to do Give me new noise Give me new affection Strange new toys from another world I need to see more Than just three Dimension Stranger than fiction Faster than light
