Are you ready? Are you ready? I hope you're ready Are you ready? Cause I am Said I'm ready to party yea Grab your coat, get your keys Cause whatever you're drinking It's on me Stay here if you want to, say what you want But I gots to party, needs me a party Came here to get ya, but I can't wait To grab me a partner and cut a rug up 2nite I found a place yea Where we could boogie, boogie 2nite I found a place yea Where we could boogie, boogie 2nite Are you ready? Are you ready? I know you're ready Be ready here we are Said we're off on the dance floor yea Let me wet my throat, get 2 or 3 Then it's off to the dance floor Follow me Stand if you want to, stare if you want to But I got to party, I'm up in the party Glad that I got ya, and it's alright You got you a partner, and cut a rug up 2nite I found a place yea Where we could boogie, boogie 2nite I found a place yea Where we could boogie, boogie 2nite Move your hips from side to side Dance Move your hips from side to side Move your hips from side to side Move your hips from side to side Dance cause you want to Rock cause you have to Cause ain't it a party Sho 'nuff a party Told you I had ya, and we just might Find another party, and cut a rug up 2nite I found a place yea Where we could boogie, boogie 2nite I found a place yea Where we could boogie, boogie 2nite Move your hips from side to side
