

Day Dreaming

Tweet

OK, bye bye
Floating away.
He's the kind of guy that would say "Hey baby, let's get away,
Let's go some place away,"
I don't care.
He's the kind of guy that you'd give in anything
Trust with your heart, give all of your love
'Till death tear you apart.
I wanna be what he want, when he wants, whenever he needs it
Whenever he needs me there
And when he's lost, give him love stars
I'll be thare to feed it
Loving him a little bit more each day
It turns you right on, when I hear him say:
Hey baby, let's get away,
Let's go somewhere,
Well, I don't care
Hey baby, let's get away,
Let's go some place away,
Well, I don't care.
I wanna be what he want, when he wants, whenever he needs it
Whenever he needs me there
And when he's lost, give him love stars
I'll be thare to feed it
Loving him a little bit more each day
It turns you right on, when I hear him say:
Hey baby, let's get away,
Let's go somewhere, ha-aah
Well, I don't care
Hey baby, let's get away,
Let's go some place away,
Well, I don't care.
Hey baby, let's get away,
Let's go somewhere, ha-aah
Well, I don't care
Day dreaming, and I'm thinking of you! (4x)
OK, bye bye
Floating away
