

## Enough

Tweet

You're good for nothing  
and I ain't gonna cry when you  
Ohh, hurt me in ways  
but those days I'll through  
learn how to put you through the pain  
you didn't expect me to,  
with you always is the same thing,  
and I've had enough.  
Wasted my tears on you.  
Yes I've had enough.  
Wasted my tars on you  
Uhhh yeah  
Reconciliation  
no we won't be making up  
I'll do whatever to get you out of my system love  
learn how to smile in the pain  
even when it's stole from the back side ways  
it will never be making  
'cause I've had enough,  
wasting my tears on you.  
Yes I've had enough  
wasting my tears on you  
Uhh  
I'm tired and I know you ain't worth it, uhh  
yeah, I'm tired and I know you ain't worth it, uhh yeah  
I'm tired and I know you ain't worth it yeah  
I'm tired and I know, no  
Oh I've had enough, yeah yeah yeah  
I've had enough and I know you ain't worth it  
oh yeah, no more wasting no tears oh yeah  
you ain't worth it, uhh  
Had enough, yeah  
I've had enough  
Enough is enough
