

## Intro (It's Me Again)

**Tweet**

It's me again  
I'm grateful for another chance  
to bring to you  
to you again  
My stories of love  
and the things  
reasons why I sing  
It's me again  
Tweet  
and I'm so blessed  
to be able to come to you again  
with another chapter,  
another page, (again)  
another situation about my life  
and I'm happy to be able to do that  
Thank you  
It's me again  
Enjoy
