

Intro (It's Me Again)

Tweet

It's me again
I'm grateful for another chance
to bring to you
to you again
My stories of love
and the things
reasons why I sing
It's me again
Tweet
and I'm so blessed
to be able to come to you again
with another chapter,
another page, (again)
another situation about my life
and I'm happy to be able to do that
Thank you
It's me again
Enjoy
