

My Place

Tweet

I heat up and I, I can't come down
Swear I'm spinnin, I'm on a merry-go-round
And I picked up a joy to my face
My heart beats faster than a regular pace
And I'm not sure of what it is
I asked my mother to help me with it
And she said "Daughter, you reached a jones -
And that's real lovin, so carry on"

Come to my place
You know I'll be waitin for ya
Cause I really need you so
You know I'll be waitin for ya
Be on your way
You know I'll be waitin for ya
And we can handle it real slow
You know I'll be waitin for ya

You keep me thirsty, lickin my lips
I'm hungry for you to please my hips
And don't stop there, prepare to sweat
I'm getting hotter and you ain't made it here yet
So won't you hurry, make no haste
Cause you're the fruit I long to taste
Just in case I start before you reach me first
I unlatched the door

I can't wait until you come over (I can't wait)
Ohhh, I can't wait until you come over (No)
I can't wait until you come over (Can't wait)
Ohhh, I can't wait until you come over (Ooooh)

I made you wait so patiently
Now's the time, come share with me
I teased you so, those days are gone
Come over, it's on and you don't have to wait no more

Come over, boy, my place
You know I'll be waitin for ya
Cause I, I really need you so
You know I'll be waitin for ya
Be on your way
You know I'll be waitin for ya
And we can handle it real slow
You know I'll be waitin for ya

Oooh, oooh
Oooh, oooh
Oooh, oooh (My place)
Oooh, oooh

Can't wait til you come over
Oh, I can't wait until you come over
I can't wait until you come over
