

Small Change

Tweet

Well, I Thought about it
Well, I Didn't Think Twice
No Room Left in My Life for You
What Did Your World Come to
But Thank Ya
Cuz I Made it Through Right into the Light
And this Here's Not the Last Song That I'll Ever Write (About Cha)
Goodbye, I Wish You Well, Yeah
But this Time You've Lost Your Mind
Boy Can't You Tell
You must Be Sorta Derranged
Your Worth Is less than Small Change
To Cry That to Me
Is More than Insane
Your Worth Is less than Small Change
Now That I've
Got My Ish Right Without You
You Come Back Inside
With News
You Want Me to Share My View
Haha, Get the Picture
Take a Look and Close Your Book
That's My Advice
Let's Just Be Friends, That's Better and
It's Quite Alright
You've Got That
Look Here There Is No Way
That I'm Coming Back and That's a Fact
Don't Beg Me to Stay
You must Be Sorta Derranged
Your Worth Is less than Small Change
To Cry That to Me
Ias More than Insane
Your Worth Is less than Small Change
You must Be Sorta Derranged
Your Worth Is less than Small Change
To Cry That to Me
Is More than Insane
Your Worth Is less than Small Change
There's No Coming Back Boy
Somethings Mighty Strange Boy
With You
Derranged Boy
You must Be Sorta Derranged
Your Worth Is less than Small Change
To Cry That to Me
Is More than Insane
Your Worth Is less than Small Change
You must Be Sorta Derranged
Your Worth Is less than Small Change
To Cry That to Me
Is More than Insane
Your Worth Is less than Small Change
