

Way to Love

Tweet

Time On My Hands
I Put My Feet On The Gas
On A Road Only Going One Way
And I Won't Turn Back
Blowin On With The Wind (Oh Yeah)
And Imma Let It Float Me Away From Here
See I Want Me Something Real
And Oh I Wont Stop Until Then
Help Me Find It...The Way To Love
The Way To Love (To Love)
I Wanna Know Where I Find It
Oh Love (Oohh)
Dont Have Any Bags No
I Had To Let Go Of The Past
On A Road Only Going Loves Way
And I Wont Turn Back No No
Im Moving On With The Wind (Oh Yeah)
And Imma Let It Float Take Me There (Ooh)
Say What You Will
I Wont Stop Until Then
Help Me Find It
The Way To Love...The Way To Love
I Wanna Know Where I'll Find It
The Way To Love...The Way To Love
I Wanna Know Where I'll Find It
(Love Love Love Love Love Love Love)
