

You are the owner/operator,  
You are the designated driver,  
The captain and the crew,  
The I, I see in you,  
This is your world,  
And you,  
It's master

Brother,  
This is your dominion,  
When will you embrace,  
And love your kingdom,  
Your kingdom!

You are the self-made liberator,  
You are the heart-wave generator,  
From death into the new,  
The I, I see in you,  
You are the light accelerator.

Brother,  
This is your dominion,  
When will you embrace,  
And love your kingdom,  
Your kingdom!

I am the self-made liberator,  
I am the alpha and omega.

Brother,  
This is your dominion,  
When will you embrace,  
And love your kingdom,  
Your kingdom!
