

Take Me Away

Twenty 4 Seven

Take me away
And I will try to, try to let you know baby
when you say you will, I'll try to
try to let you go

Take me away baby
Take me away, ooh
Take me away baby
Take me away

Show me the way
to make me say
why I don't want you no more
I wanna know
why you can't let go
just open the door

Take me away, and I will try to
try to let you know baby
when you say you will, I'll try to
try to let you go

I'll take you, I'll take you, I'll take you away
I'll take you, I'll take you, I'll take you away

Set me free
so I can be
my self again, finally
All I wanna do
is give you a clue
It's all up to you

Take me away, and I will try to
try to let you know baby
when you say you will, I'll try to
try to let you go

Take me away baby
Take me away, ooh
Take me away baby
Take me away

Take me away, and I will try to
try to let you know baby
when you say you will, I'll try to
try to let you go

Take me away baby
Take me away, ooh
Take me away baby
Take me away

[Take me away]
I'll take you, I'll take you, I'll take you away
[Take me away]
I'll take you, I'll take you, I'll take you away
