

# What Time Is It

Twenty 4 Seven

Oh oh oh

Let's cut da crap and serious  
Cuz I'm back 2 base and that's what it is  
It ain't right, what is goin' on  
These r killin' fields and it's wrong  
Nobody know all da facts  
U can c da way we react  
1 Day we'll pay 4 da thangs we did  
Now tell me what time is it?

Oh oh oh, can you tell me what time?  
Oh oh oh, I wanna know da time  
Oh oh oh, Tell me where r we goin'?  
Oh oh oh, Tell me where r we blowin'?

Confusion's da reason  
Why we don't know what's da season  
We don't understand 1 another  
and so we destroy our very mother  
We're headed 4 total destruction  
If we go on without deep induction  
Stand up and fight, no time 2 sit  
Almost 2 late, what time is it?

Oh oh oh, can you tell me what time?  
Oh oh oh, I wanna know da time  
Oh oh oh, Tell me where r we goin'?  
Oh oh oh, Tell me where r we blowin'?

Show it, life's a tramp and u know it  
It's all in your hands so don't blow it  
Da seduction of crime can b strong  
Once u got it, please try 2 throw it  
Crime is evil and evil is wack  
Don't be fooled, it's gonna take u back  
We're goin' down and we're gonna git hit  
What is left, what time is it?

Oh oh oh, can you tell me what time?  
Oh oh oh, I wanna know da time  
Oh oh oh, Tell me where r we goin'?  
Oh oh oh, Tell me where r we blowin'?
