Hometown

Twenty One Pilots

A shadow tilts its head at me Spirits in the dark are waiting I won't let them win, go quietly I won't let them win, go quietly

Be the one, be the one To take my soul and make it undone Be the one, be the one To take me home and show me the sun I know, I know You can bring the fire, I can bring the bones I know, I know You make the fire in my bones, and make it grow

Where we're from, there's no sun Our hometown's in the dark Where we're from, we're no one Our hometown's in the dark Our hometown's in the dark

A shadow tilts its head at me Spirits in the dark are waiting I won't let them win, go quietly I won't let them win, go quietly

Put away, put away All the gods your father served today Put away, put away Your traditions, believe me when I say We don't know, we don't know How to put back the power in our soul We don't know, we don't know Where to find what once was in our bones

Where we're from, there's no sun Our hometown's in the dark Where we're from, we're no one Our hometown's in the dark Our hometown's in the dark

A shadow tilts its head at me Spirits in the dark are waiting I won't let them win, go quietly I won't let them win, go quietly

Where we're from, there's no sun Our hometown's in the dark Where we're from, we're no one Our hometown's in the dark Our hometown's in the dark
