

## Screen

## Twenty One Pilots

I do not know why I would go  
In front of you and hide my soul  
Cause you're the only one who knows it,  
Yeah you're the only one who knows it

And I will hide behind my pride  
Don't know why I think I can lie  
Cause there's a screen on my chest  
Yeah there's a screen on my chest

I'm standing in front of you  
I'm standing in front of you  
I'm trying to be so cool  
Everything together trying to be so cool

I'm standing in front of you  
I'm standing in front of you  
I'm trying to be so cool  
Everything together trying to be so cool

I can't see past my own nose, I'm seeing everything in slo-mo  
Look out below crashing down to the ground just like a vertical locomotive  
That's a train, am I painting the picture that's in my brain?  
A train from the sky, locomotive, my motives are insane  
My flow's not great, okay, I converse with people  
Who know if I flow on a song I'll get no radio play  
While you're doing fine, there's some people and I  
Who have a really tough time getting through this life  
So excuse us while we sing to the sky.

I'm standing in front of you  
I'm standing in front of you  
I'm trying to be so cool  
Everything together trying to be so cool

I'm standing in front of you  
I'm standing in front of you  
I'm trying to be so cool  
Everything together trying to be so cool

We're broken  
We're broken  
We're broken  
We're broken people, oh.  
We're broken people, oh.

We're broken  
We're broken  
We're broken  
We're broken people, oh.  
We're broken people, oh.

We're broken  
We're broken  
We're broken  
We're broken people, oh.  
We're broken people, oh.

I'm standing in front of you  
I'm standing in front of you  
I'm trying to be so cool  
Everything together trying to be so cool

I'm standing in front of you  
I'm standing in front of you  
I'm trying to be so cool  
Everything together trying to be so cool
