

Trees

Twenty One Pilots

I know
Where you stand
Silent
In the trees
And that's
Where I am
Silent
In the trees

Why won't you speak?
Where I happen to be
Silent
In the trees
Standing cowardly

I can feel your breath
I can feel my death
I want to know you
I want to see
I want to say
Hello
Hello
Hello
Hello

I know
Where you stand
Silent
In the trees
And that's
Where I am
Silent
In the trees

Why won't you speak?
Where I happen to be
Silent
In the trees
Standing cowardly

I can feel your breath
I can feel my death
I want to know you
I want to see
I want to say
Hello
Hello
Hello
Hello
