

# Trees

## Twenty One Pilots

I know  
Where you stand  
Silent  
In the trees  
And that's  
Where I am  
Silent  
In the trees

Why won't you speak?  
Where I happen to be  
Silent  
In the trees  
Standing cowardly

I can feel your breath  
I can feel my death  
I want to know you  
I want to see  
I want to say  
Hello  
Hello  
Hello  
Hello

I know  
Where you stand  
Silent  
In the trees  
And that's  
Where I am  
Silent  
In the trees

Why won't you speak?  
Where I happen to be  
Silent  
In the trees  
Standing cowardly

I can feel your breath  
I can feel my death  
I want to know you  
I want to see  
I want to say  
Hello  
Hello  
Hello  
Hello
