

## Cry For The Desert

Twila Paris

I will cry for the desert  
When He's bleeding from His heart and soul  
Die for the desert  
And remove my hands from what I hold  
Deeper in my heart I will hear Him call  
Deeper in my heart I will give it all  
Deeper in my heart  
I will cry for the desert  
Oh, I will die for the desert  
Oh, I will cry  
Cry for the desert  
I will tremble and receive His pain  
Die for the desert  
I will pour my life on this terrain  
Deeper in my heart I will hear Him call  
Deeper in my heart I will give it all  
Deeper in my heart  
I will cry for the desert  
Oh, I will die for the desert  
Oh, I will cry  
The smallest grain of sand  
Is held inside my hand  
And when I look I see His face  
The smallest grain of sand  
Is held inside my hand  
And when I look I see His face  
I will cry for the desert  
When He's bleeding from His heart and soul  
Die for the desert  
And remove my hands from what I hold  
I will cry for the desert  
Oh, I will die for the desert  
Oh, I will cry for the desert  
Oh, I will die for the desert  
I will cry
