

## I Will Wait

Twila Paris

I will wait on the Lord  
I will wait for His word  
Because I fear His holy name  
I will wait  
I will wait  
I will wait on the Lord  
I will wait for His word  
Before I move  
Before I speak  
Perfect wisdom I will seek  
And I will wait  
As long as it takes  
I will wait on the Lord  
I will wait on the Lord
