

Brothers and Sisters

Twin Atlantic

Are you still out there? Are you still out there?
Because enough is enough, I'm finished with love,
But I have the guts to say I still care,
Can you hear me? Can you hear me?
I'm over the rush, I'm divided and lost,
I'm not giving up, I'm not giving up.

I'm talking to my brothers and sisters,
I miss the conversations between us,
There's nothing wrong with being a dreamer,
So where are you now?

Please don't drift off, and leave me here in a sea of weird,
Don't be fake mate, cause you'll lose that love,
You'll forget the point and the power of words.

Are you still out there? And you still with me friend?
Because enough is enough, I won't take the brunt,
I'm not giving up, I'm not giving up,

I'm talking to my brothers and sisters,
I miss the conversations between us,
There's nothing wrong with being a dreamer,
So where are you now? Where are you now?

I'm talking to the liars and cheaters,
the ones who hide the truth to deceive us,
There's nothing wrong with being a dreamer,
So where are you now? Where are you now?

Are you still out there? Are you still out there?
I'm talking to my brothers and sisters,
I miss the conversations between us,
There's nothing wrong with being a dreamer,
So where are you now? Where are you now?

My brothers and sisters,
I miss the conversations between us,
There's nothing wrong with being a dreamer,
So where are you now? Where are you now?
I'm talking to the liars and cheaters,
the ones who hide the truth to deceive us,
There's nothing wrong with being a dreamer,
So where are you now? Where are you now?
