

# Fall Into The Party

Twin Atlantic

Waiting for the night to implode  
Anticipating drama I hope you know  
A darker place where we can get together and rage  
Easy, easy, easy  
I hope you know I'm only  
Teasing, teasing, teasing  
And I just found another  
Reason, reason, reason  
For why you make me wanna scream

Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah  
I'm the only one  
Yeah, yeah, yeah, yeah, yeah, yeah,  
Yeah, yeah  
I'm a loaded gun  
Something in a mirror made it easy to see  
I'm just an idiot staring at me

Fall into the party  
Make friends with everybody  
Why so serious?  
Aren't you dying to get lost?  
Something tells me I can't be saved  
I live my life on the edge  
This is how I roll  
When I feel invincible

Watching both my pupils dilate  
Flashing lights and adverts I hate  
Every single fucker inside the room  
Come on, come on, come on  
I don't understand the  
Problem, problem, problem  
I just want a little  
Fun with fun with fun with  
Everybody who plays

Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah  
I'm the only one  
Yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah  
I'm a loaded gun  
Something in a mirror made it easy to see  
I'm just an idiot staring at me

Fall into the party  
Make friends with everybody  
Why so serious?  
Aren't you dying to get lost?  
Something tells me I can't be saved  
I live my life on the edge  
This is how I roll  
When I feel invincible

Come on, come on, come on

Come on, come on, come on  
Come on, come on, come on  
Come on, come on, come on

Waiting for the night to implode  
Anticipating drama I hope you know  
A darker place where we can get together and rage

Fall into the party  
Make friends with everybody  
Why so serious?  
Aren't you dying to get lost?  
Something tells me I can't be saved  
I live my life on the edge  
This is how I roll  
When I feel invincible
