Time Is The Enemy

Twin Atlantic

Mistakes that we share I'd crawl through broken glass just to feel the same or to understand and i see it in your eyes your slipping into that net, that net i see it in your eyes your slipping through that net, Listen, listen to me Listen, listen to me you fold, you fold in two in common places together with common friends. .. they say you mush fight back yeah stand up for yourself i see it in your eyes your slipping through that net....that net well time is the enemy she's biting at your heels thank reason for remedies yeah!!!!!
