

I Am Free

Twinspirits

I don't know what I did wrong,
I don't know what to do.
I feel I'm not in control of his life anymore.
I tried to be a good guide, I tried to help him out,
but this was all in vain though.
I've lost his faith and he has gone.

You'll never understand
that my life is something mine.
You're wrong.
You gave me much I know,
but you've never wanted to
help me being myself.

I've always watched all your steps,
I've even walked for you.
I've taken all the risks and is this what I deserve?

You're leaving home for nowhere,
you don't know what will be.
It can be very dangerous,
you just don't know what's all about!

You'll never understand
that my life is something mine.
You're wrong.
You gave me much I know,
but you've never wanted to
help me being myself, but now...

I'm free from all your words,
I'm free from all your restrictions.
Unwrapped chains in my hands,
and I'm feeling better,
yes I am...
I am free! Yes I am! I am free!

I'm free from your sick rules,
I'm free from your mad reactions.
Unwrapped chains in my hands
and I'm feeling better,
Yes I am...
Yes I am!

Why did I lose so much time for you?
Why did I dedicate my life to you?
Why did I love you so much, I don't know,
I really don't know!

Slip away from my gaze, I don't wanna live
with someone that betrayed my love like you did.
Bring your self-consciousness, find your own role,
remember it's not been my fault!
It's not been my fault! Go away!

I'm free from this forbidden city,
finally free from this forbidden city.

It's me grabbing my own life again,
leaving the old king without his reign.

And there will be no compromise
'cause now I have new wings to fly.
I won't be your slave, no more
afraid of me, afraid of him, afraid of them.

'cause finally I am...
free! I'm free from him, from all!
Look at me, look at me, look at me.
Look at this new man, now I am free!
