

I've found the way to be myself, I've found the key to open all my secret doors. I'm craving for my dignity, it's time to fight. I know there's no way to get back.

I'll take a stand on all you tried to hide, I'll lay my hands on all that's mine. I'll get myself so far away from your world, my statement is hereby declared.

Reaction - here's my reaction, I've waited for so long to be myself. Reaction - here's my reaction, the weak is now so strong, got rid of tears.

Another life to live, another place to run, the sky has never been so near. I have to take the final step to unfold my soul, at last I'll show you who I am.

I'll take a stand on all you tried to deny, I'll lay my hands on all that's mine. I'll start to learn from my own life, not from you. Get ready for what is to come.

Reaction - here's my reaction, I've waited for so long to be myself. Reaction - here's my reaction, the weak is now so strong, got rid of tears.

I'll take control, playing my new role. I will take control, yeah! My time has come, here is my reaction.

Reaction - here's my reaction, I've waited for so long to be myself. Reaction - here's my reaction, the weak is now so strong, got rid of tears.

Here is my reaction!
