

The Endless Sleep - What Am I Supposed To Do

Twinspirits

Darkness all around, a distant light appears.
It really seems to be so far from here.
This road in front of me is leading to nowhere.
I just can't see the end of this strange night.
This seems...all this seems so unbearable.

As I walk step by step, white is turning black.
My past is coming back here once again.
No matter how I tried to stop this crazy walk,
this road is taking me so far from home.
This seems...all this seems so unbearable.

Father! Oh! Is it really you?
Mother! What am I supposed to do?
Father! Oh! Is it really you?
Mother! What am I supposed to do?

Who's there? Who's walking towards me?
Wait! I can barely see
shades of a familiar shape,
a familiar face!

Hey there! Who's there?
Can you hear my voice?
Now I recognize!
I know those bright smiles
this seems...all this seems so incredible.

Father! Oh! Is it really you?
Mother! What am I supposed to do?
Father! Oh! Is it really you?
Mother! What am I supposed to do?

Yeah! It's me, boy!
I know I look so young.
In this place, we have the same age:
we could be brothers!

Yeah! It's me, boy!
What you see is real in this place.
Time has stopped its race
Son! You could be my brother!

Father! Oh! Is it really you?
Mother! What am I supposed to do?
Father! Oh! Is it you, is it you?
Mother! What am I supposed to do?

Dad! Tell me the truth!
Am I really dead?
Is my soul still alive?

Mom! Tell me the truth!
I need to know if this
is a dream come true...
help me!
