

## Break em up

Twista

Put ya guns down  
Its time to squad now  
Ya'll then kick it up in the club don't try to run now  
He's saying thugged out  
But back in 88 bust I heard ya plugged out  
That's what ya name and became and moved down south  
Still the bitch you was in the city  
Mo money mo cash mo hoes now ya sitting on 20  
If it came down to it nigga fuck your mob  
And if ya wanna get em all we can squad and squad  
I say now who want they ass kicked ass kicked  
Who wanna get touched with plastic plastic  
I see ya standing in the path trick path trick  
Now do ya wanna be around bitch around bitch  
Cuz I don't give a fuck if the club on ya block or not  
Cuz if ya step on our toes then it's bound to get hot  
Its bound to get heated all of us we got a SK and a chopper  
Better utensils bound to break me off proper  
From the 51st ward nigga  
We all ghetto so while ya practice looking hard nigga  
You need to let go and umm remove ya bodyguard nigga  
How ya'll wanna do it  
We can take it to the yard nigga we rob niggas

Break em up  
Fuck that let them niggas fight  
Break em up  
Fuck that let them niggas fight  
I can't breathe somebody get em off me  
I can't breathe anybody get em off me  
Break em up  
Fuck that let them niggas fight  
Break em up  
Fuck that let them niggas fight  
I can't breathe please get em off me  
I can't breathe mothafucka get em off me

Back the fuck up  
Who in the hell wanna get it on  
Ima bout to pull a kick door like that nigga James Jones  
Lets move these bitches in lets get these niggas out  
Is that your girl keep talking shit Ima slap the gold outta her mouth  
Cuz Im a real nigga for all my trio niggas  
Im squashing the issue cock back hit em in his grill nigga  
Fuck how ya feel nigga  
Jumped in make ya drinks feel nigga  
Tear the club up like the mafia till I make a mil nigga  
Shorty shake something  
The way you look and make a nigga wanna rape something  
Standing on the side of me  
Oh no but drunk at the bar looking like ya wanna take some  
And if somebody ask how much my bitch cost  
With an ignorant ass I burst like that and bound to get tossed  
Reload this disrespect for that nigga  
That'll be your arm and your leg  
Your arm and your leg  
When he jumped up like a bomb in his head

Lets see and we make thugs like us make bloodshed turn clubs red  
Get in the middle of one of my fights Ima leave ya all dead

Well I fell up in the club tonight  
Hit the bar had broads on my nuts cuz Ima balla  
Legit is dub click real niggas to fuck with  
Big Body and Highbeam we all up in this bitch  
Tearing the club up tear the club up  
Popping that hoe shit that gets yo ass fucked up  
So what ya thought nigga that we was soft nigga  
Hell no nigga get that ass tossed nigga  
Five strength don't slang a gang fucking banga  
And in our head shot rearranging ya frame  
Im like ugh ugh ugh beat this nigga down  
Security can't get us off ya ass now  
We don't dance no more like Goodie MO-B  
All we do is squad and a 9 milli's  
Chi town to the dirty south we gonna get ya crunk  
When we fall up in the party watch the deck go up
