Put the dick to the sky

Put the dick to the sky Can't get enough, ah Wanna glide that a bitch get a ride Nigga can ya get it up Get it up Put the dick to the sky Put the dick to the sky Can't get enough, ah Wanna glide that a bitch get a ride Nigga can ya get it up 'cause I ain't have no dick today Wanna play then a bitch can just masterbate Hope ya got some more control since our last date Just tell me kissing the dick you made a big mistake And you can to quick I'm like what the fuck is this Some cancer dick What it been through f\*\*king with you with a cash trick Enough to make a bitch stay If you could last a bitch You might make a bitch pay with your trashy dick On the stroll around the way Every hoodrat got the same thing to say Can ya get it up I wanna know before I lay Need the dick to stay hard all god dam day What the hay I bust up and cuff the nigga Got em sprung work em bend up the nigga The dick to sensitive for me to suck ya nigga And if ya keep tricking I might fuck ya nigga Just don't be no two minute man I fuck around and get at too many hands See I'm type of bitch that make too many grand That's thirty g's 24/7 man Now I got bucked in a caravan Now my pussy's so wet I wanna come again Dam nigga can ya get it up again 'cause I need enough dick for me and a friend ugh, so ya say you got hair of gold Where ya might be what a bitch looking for I like the dick to make me holla and put up a fuss And if you eat the pussy right nigga that's a plus I like it rough A bomb just drop that dust Treat a bitch like a queen and have me living plus It ain't asking for much Just get the land and crush The diamonds buffed And I smoke no huff I puff dro Keep my shit on the low And fuck that bitch on the low 'cause if hoe can't deal when we f\*\*king a nigga

## Twista

On the real I like his dick 'cause its locker and bigger A bitch come back to reality You can't be mad at me 'cause your nigga a hoe Bitch that's a travisty Its sad to see that she gone in the head while I'm F\*\*king this nigga busting nuts in your bed I work on emotions, just dildos and lotions, exstasy pills and Love potions Wetter than the ocean Strap on your trojan 'cause a nasty nigga leave the pussy swollen Girl you should of told em You need a nigga that hit it to make ya wanna back that ass up Down to the last nut I gotta ride the dick, slip slide the dick, until we get it back σU Now nigga now all the niggas wanna know about the slick lick And all the bitches wanna know how she get a grip Play the game so raw Who that cold bitch Got blocks of ice like the north pole bitch My tricks gotta hustle and flip them bricks To keep me satisfied And the finest shit, that designer shit, that the kinda shit, That like to Crime shit, Just gimmie the dick And gimmie a ride out 'cause the dick tired out Plus the blunt fired out I pop in the ja'causezi 'cause its ladies night out And I'm bout to hit the club and turn that bitch out By a nigga who could never back out Show me what the dick about Have me telling my girls how he ate me out, take me out, cake me Out Niggas wanna get a tat then stake me out Lock me down I'm like break me out all on my voice mail (bitch why you fake me out) 'cause I don't give a fuck nigga Don't love niggas play the game while these bitches are scrub Niggas Smoking on a dub with another nigga Riding em right now so getty up nigga Yee hah Watch a bitch get bucked ima fuck just as long as you could get It up nigga Now let me see you
