I insist ya lay with the path of my rhythm and follow me like a scripture

Flowin this from my lung, a tongue twister

Breakin em up and then makin em take in the smell of my funk I be kickin up

And then I'ma give em a lick of my lyrical lollypop, I'm gonna bring em into
my doctrine

Rock, then the rhythm'll makin the clock spin blackwards

The funk of the rhythm'll snap, crackle and pop, then flow, oh
