She Sluggin

She sluggin' She do it She sluggin' She do it Got to love her when I'm looking at her butt She got me fucked up Ass like that where I from They call it a dump trump Now we just say she sluggin' When she dancing got me bugging Then Shawty got ticked all of a sudden Look how them jeans hugging Look at the figure she think she ate cornbread

When you was a shawty you must've been breastfed Yeah my mother the whole package Look at the face, ass, chest, legs Imma holla out, I'm on duty I don't give a fuck She y'all will sue me She can either have an ego or not Boujie If I look 'cause she got a drop botty

She sluggin' She do it She sluggin' She do it She do it

Her body grown, let her pop it to the song Not a model but in tone She still got it going on So fat, I fiend

Twista

Started busting to the scenes I can't understand how you get All that ass up in them jeans Now make it drop, don't stop With your booty my section When you come in my direction Looking good from the front But when I look at your reflection It's really what is filling my erection In my own zone, we all own bones She own, she be owns We can go go home

She sluggin' She do it She sluggin' She do it She do it
