

Unsolved Mystery

Twista

I know a whole bunch of motherfuckers thats prepared whoop
Leave a body bloody red to scoop
Poppin off lead for loot
Shot the pussy up from head to boot
Just for talkin dramatic when it was static you was scared to s
hoot
Police prepared to swoop
To catch a nigga on the runway but don't none stay for the whit
e chalk
If aired out your tip whatch your lip niggas pipes talk
I you wasn't seen then you might walk
Even if it ain't the time of day niggas will find a way like lo
cos off of nodos
Cappin when you servin your blows niggas doze hoes
Got the popos posin as hobos
Take a photo of him please
Tell the Chi Town he freeze they don't give a fuck if it was DT
's
They be up like the sea breeze on CC's
And they handin out these murders like free cheese
Could you pass me the B please
I got intercate shit to kick even though I campaign with a gang
Bumpin though in different denominations in the nations,
and the nations racin worried baccuse I'm slingin the thangs
If you can ahng up at my town up a K Town
if you dissin them then you dissin me
Niggas actin like they glad to die so if you had to try,
if they faded you it wouldn't mean shit to me
just a unsolved mystery

Before I saw his body lyin down
I heard a motherfucker crying now
Have you ever seen a bitch nigga give into mysery
And left an unsolved mystery
Before I saw his body lyin down
I heard a motherfucker crying now
Call the popo the man and mess
Shot up his head and chess
Put to rest now the rest should be history
Before I saw his body lyin down
I heard a motherfucker crying now
Have you ever seen a bitch nigga give into mysery
And left an unsolved mystery
Before I saw his body lyin down
I heard a motherfucker crying now
Niggas actin like they glad to die
So if you had to try
If they faded you it wouldn't mean shit to me
