Yeah yall know what the fuck this is the legit balling family yo twista fire that shit up

All my legit ballers (what) all my legit ballers (wee straight) pull up to the club on dubs whey these niggas playa hate custom trucks and cars with a system bumping hard smoking dro outta jars bout to blow a hundred bombs some thoughts pump that buddah bitch shake that ass over here aint nobody worry bout no fear we been down in the streets for years the legit balling family for the true ass gangstas and hustlers killers ballers and aint no busters kicking raw shit for real motherfuckers

Fuck it

i got something to prove i heard this to up and down that a nigga didnt do it put my rhyme to persistant money too long yall gonna get used to it ima ball till i fall what about the hoes i fucked em all what about the o's i ate em all when the drive hit the shitty shit i sprayed em all my shorty he got to eat you better get going when i cock the heat theres only two places thats hell and (?) that im not to be, heh Bennie Franks is the name shit down south is where i hang and im still on the block when the shit gets hot best believe aint a dam thing changed

Put em off
remy my enemies bleed
from one squeeze and this thing that i pop at you
i execute low cock and shoot
aint a thang that i can do
how you shake it fast like Mystikal
it aint no mystery what bank listers do
roll up like what up foo
and what up niggas
where they might choose a big triggers and more ten
let the games begin
this for my niggas and bitches up in the truck
bust down hold it up and get buck

pull up to the club with the system up on crunk and let this here legit shit bump oh my nuts destruct my stuff hoes up in here got a nigga on twelve charged up ready to fuck up out the back door so grab your hoe and lets bail

Off in the club

we be smoking on some shit thats stronger than amonia we be deep up in this bitch like 26 in cali california i just bust on a nigga with a mic and got on their corner now im loving little bitch ass nigga while sippin corona

oh how good it feel would ya maintain going donw giving a grip got the tounge in the mouth man it cant be real i be that nigga Highbeam that will freeze your game run in your house tie ya up take your keys and cane man no resist make it easy man cuz one false move im gonna squeeze the thang

Its been a lot of shit talking go flapping
nigga fuck this rapping
im about scrapping busting caps in killing motherfuckers napkin
im all about action
lets get it cracking
whats happening you was just snapping when i came through the door
now i gotta blast your punk ass
look nigga cuz i put that shit on low
anybody popping weak shit get dealt with quick in an orderly fashion
for asking im blasting thats what i call mashing like a faggot bashing
off that hash and dro
a mask and four four
i need cash to go
in a mist of war when its time for a nigga to die
hes always the last to know

Legit ballers what
legit ballers wee straight
legit ballers what
legit ballers wee straight
legit ballers what
legit ballers wee straight
legit ballers what
legit ballers what
legit ballers what

as i get ready to ball some more ontora'ge come a new guy maza mo legit balling all day got these people jacking like a rabbit trying to get to the record store and it was all on the news though how i was rocking the show for five and ten cents or more ah ha i was all in your mind when was the last say far and low you better think about the wrong dam thing killing our brain now with the blow campaign missing our name with the wrong dam thing now nigga they came up said no no thanks so we gotta rush em hush em smack haters like bitches we gotta get relentless endless like a brotha was a militia we platinum wee straight

now ya motherfuckers aint ready for a wild bitch that up and $\operatorname{\mbox{aim}}$

when i up that thang ill be ready to kill a nigga so he better give up the change on the block with the gang the real Erika Kane yall bitches better know and respect the name flossing ice like Heidi Flise you my kitty cats coming up spitting the game now what the fuck ya gotta say bout this no hate to diss ill be rolling on off the club with Jay and Twist man lady shit smoking dubs and getting drunk off cris me and my nugz gonna hop off quick and when we pop shit aint no use in calling your guys cuz ima let the drama ride aint no bitches eating me off the four five ill be ready to die
