

Leader Of The Pack

Twisted Sister

Hey, is he really goin' out with her?
Well, there he is, let's ask him
Hey Dee, is that your ring Suzie's wearin'?
Uh huh
Man, it must be great ridin' with her
Are you pickin' her up after school today?
Uh huh
By the way, where'd you meet her?
I met her at the candy store
She turned around and smiled at me
You get the picture?
Yeah, we see
That's when she fell for

The leader of the pack

Her folks were always putting me down (down, down)
They said I came from the wrong side of town (they said he came from
the wrong side of town)
They told her that I was bad but she knew I was sad
That's why she fell for

The leader of the pack

One day her dad said find someone new
She had to tell me that we were through (whatcha do when he said that
you better go find somebody new)
I stood there and asked her why but all she could do was cry
"I'm sorry I hurt you"

The leader of the pack

She was so small
As she kissed me goodbye her tears were beginning to show
And as she drove away on that rainy night I begged her to go slow
If she heard I'll never know
No, no, no, no, no, no, no, no (look out, look out, look out, look out)

I felt so helpless, what could I do?
Remembering all the things we'd been through
The gang they all stop and stare, I can't hide my tears but I don't care
I'll never forget her

The leader of the pack

Leader of the pack
And now she's gone (18x)
