

# Like A Knife In The Back

Twisted Sister

come inside  
take a seat  
or a ride  
we're so glad  
that you're here  
now come on  
have a drink  
or some coke  
gasoline  
or some rope  
a guillotine  
are you gone?  
don't turn around  
ignore that sound  
just lie on this rack  
are you starting to crack?  
I need this like a knife in the back  
I need this like a knife in the back  
hey, my man can you feel  
can you stand?  
that's a shame  
really sad  
do you want some more?  
like to help if I could  
but I don't think I should  
I don't care  
shall I pour?  
nothing to fear  
just lay right here  
all that you lack  
will start fading to black  
I need this like a knife in the back  
I need this like a knife in the back  
ain't it sad  
that he's dead?  
was it something we said?  
such a drag  
what could we do?  
he was an ass  
always smelling of gas  
not at all one of us  
the chosen few  
he turned around  
and heard the sound  
those with the knack  
get to run with the pack  
I need this like a knife in the back  
I need this like a knife in the back  
I need this  
I need this  
I need this like a knife in the back
