

## Pay The Price

Twisted Sister

You and I, we lit the fire  
We build it, baby, my desire  
But now you say I overdo it  
Be careful, baby, don't make me choose it

Oh, always, oh, always gotta pay the price  
Oughta hear who'd love for free  
Gotta pay the price  
Oh, pay the price for loving me, yeah

I need your love to be a man  
But oh lord, honey, you don't understand, no  
But both our lives have just begun  
I just can't trade these two for one

Oh, always, oh, always gotta pay the price  
Oughta hear who'd love for free  
Gotta pay the price  
Oh, pay the price for loving me, yeah

Ah, for love of me, yeah

Oh, you and I, we lit the fire  
We build it, baby, my desire  
You want me to be your lover  
Well, now you start to pay, there'll be no other

Oh, always, oh, always gotta pay the price  
Oughta hear who'd love for free  
Gotta pay the price  
Oh, pay the price for loving me, yeah

Oh, always, oh, always gotta pay the price  
Oughta hear who'd love for free  
Gotta pay the price  
Oh, pay the price for loving me, yeah

Ah, for love of me, yeah
