## **The Price**

## **Twisted Sister**

How long I have wanted This dream to come true And as it approaches I can't believe I'm through

I've tried, oh How I've tried For a life, yes a life I thought I knew

Oh it's the price we gotta pay And all the games we gotta play Makes me wonder if it's worth it to carry on 'Cause it's a game we gotta lose Though it's a life we gotta choose And the price is our own life until it's done

Time seems to have frozen But the mind can be fooled As the days passed I discovered Destiny just can't be ruled

Hard times, oh Hard times For the price, yes the price, I thought I knew

Oh it's the price we gotta pay And all the games we gotta play makes me wonder if it's worth it to carry on 'Cause it's a game we gotta lose Though it's a life we gotta choose And the price is our own life until it's done

Oh it's the price we gotta pay And all the games we gotta play makes me wodner if it's worth it to carry on 'Cause it's a game we gotta lose Though it's a life we gotta choose And the price is our own life until it's done

Oh it's the price we gotta pay And all the games we gotta play makes me wonder if it's worth it to carry on 'Cause it's a game we gotta lose Though it's a life we gotta choose And the price is our own life until it's done
