

Yeah Right

Twisted Sister

Yeah right

We got you where we want you and we're never lettin' go

Yeah right, yeah right

We've trapped you in our web now, aren't you old enough to know

Yeah right, yeah right

So stomp your hands and clap your feet, do a dance, hook into the beat

Yeah right, yeah right, we got you now

Yeah right, yeah right, we got you now

Yeah right, yeah right, we got you now

Yeah right, yeah right, we got you now

We've pulled you into our world and you'll never get away

Yeah right, yeah right

You might as well give in' cause we're big and mean and here to stay

Yeah right, yeah right

So jump and shout, shake and cry, wave your fist, rock until you die

Yeah right, yeah right, we got you now

Yeah right, yeah right, we got you now

Yeah right, yeah right, we got you now

Yeah right, yeah right, we got you now

Na na na na na na na (na na na na na na na)

Na na na na na na na (na na na na na na na)

Na na na na na na na na

Na na na (na na na)

Na na na (na na na)

So stomp your hands and stomp those feet

Do a dance, hook into the beat

Yeah right, yeah right, we got you now

Yeah right, yeah right, we got you now

Yeah right, yeah right, we got you now

Yeah right, yeah right, we got you now

Yeah right, yeah right, we got you now

Yeah right, yeah right, we got you now

Yeah right, yeah right, we got you now

Yeah right, yeah right, we got you now
