

Oh What Have You Done

Twisted Wheel

Oh no one will forgive me,
The psycho system doesn't want me,
What am I supposed to do?
I'll be a lower than low dosser.

I know I miss it and I bought it,
No b-l-ow I could have snorted,
I didn't mean to blow my cover,
But either way, there was no other,
Oh yeah!
What they gunna say?

Oh what have you done?
You dirty Rock 'n' Roller,
Oh what have you done?
You dirty Rock 'n' Roll

The papers give me disappointment,
I'm a celebrity appointment,
I've got no butter for my toast,
No washing powder for my clothes.

Then someone said I'm like a statue,
Well I'll tell you that they're right now,
I'm still standin' here tomorrow,
I know it's hard, I fail to swallow,
Oh yeah!
What they gunna say?

Oh what have you done?
You dirty Rock 'n' Roller,
Oh what have you done?
You dirty Rock 'n' Roll

There's people tryin to destroy me,
And they all don't even know me,
I am as tense as what they are,
I know things they'll never know.

And if the bosses are to ring me,
One day I know they're gunna ring me,
I never said that I was clever,
But I'm a sucker that I ever never,
Oh yeah!
What they gunna say?
Oh yeah!
What they gunna say?
HEY!

Oh what have you done?
You dirty Rock 'n' Roller,
Oh what have you done?
You dirty Rock 'n' Roll

Oh what have you...
Oh what have you...
Oh what have you done?

Oh what have you...
Oh what have you...
You dirty Rock 'n' Roll...Er!
