Twiztid

She was a type of girl  
get me in so much trouble  
head over heels in this  
thats why I love her

I don't like the way that she talks to me  
when she tells me those things that I rather not hear in my ear  
but they're comin' out her mouth and they're HD clear

she don't like the way that I talk when  
I'm sayin' that I'm walking out the door  
with no remorse for this and now she's pissed

I don't think she loves me but attracted inside  
an the fact I'm ugly and the look in her eyes when  
she takin her clothes off and we're treated  
like a washing machine to drop a load off

she don't think that I give a fuck to care  
but I'd rather die  
but the truth of the matter its all a lie  
and I can't get her outta my mind I'm so blind

I'm tangled in the spiderwebs and can't get out  
its like you're breakin' my heart when you open your mouth  
its like you're so excited when you're bringin' me down  
bringin' me down  
bringin' me down  
bringin' me down

I don't like the way that she flirts  
with mini skirts and tight shirts  
and we're drinkin' at the local bar  
and she givin' everybody the fuck me eyes

She don't like the way I'm obsessed  
and why's she wearing that dress man  
need to cover her breasts and maybe  
they'll leave her alone  
I don't like the way she's so care free  
those who knows where don't call me  
the condoms in the drawer right there  
no more so she must be cheating

She hates when I keep calling her cell phone  
like I got phone in jail holmes  
and all I really want is the four digit number  
to her voicemail passcode

I'm tangled in the spiderwebs and can't get out  
its like you're breakin' my heart when you open your mouth  
its like you're so excited when you're bringin' me down  
bringin' me down  
bringin' me down  
bringin' me down

I don't like the way that she left me

she left me a dog and upset me  
broke my heart in two  
and like a trophy she kept me

she don't like the fact that I won't leave  
callin the police on me  
why you actin' so phoney  
like you don't know me baby

I'm tangled in the spiderwebs and can't get out  
its like you're breakin' my heart when you open your mouth  
its like you're so excited when you're bringin' me down  
bringin' me down  
bringin' me down  
bringin' me down

I'm tangled in the spiderwebs and can't get out  
its like you're breakin' my heart when you open your mouth  
its like you're so excited when you're bringin' me down  
bringin' me down  
bringin' me down  
bringin' me down
