and if shes only a corpse  
you know that I have to commit  
you know I love her so much and I think of hurting myself  
my love is toxic and hazdours to her pretty health  
she knows shes better without me but what the fuck does she know?  
but with the tape around her mouth she'll never tell me to GOOOOO!

she don't understand what's stressin me or  
she wouldn't of had them arrest me for  
tressspassing and leaving my pinky finger  
inside of a box and she found it on top of her pan.ty drarwer  
out of my mind and out of my gord  
was I the paitent for hatin waiting  
so now I'm mastur.bat.ing on  
her front ...room floor.  
and now i'm sitting in jail  
and now they closing the cell door

i keep my rubbers with cum in them as an offering  
it's like it's christmas  
the ornamaents on the coffin-in  
i grab my penis and balls and boxers with clothes in em  
and nail em both to her chest so her heart is close to em  
I want to wear her skin like buffalo bill  
and suck my own dick with a purse and some high heels  
i know i'm better without her but what the fuck do i know?  
she makes me feel like a crazy sexual animal.
