Welcome Home

YOU BACKTHEFUCKUP! Cause I've had enough They put the evil in chains and handcuffs They hope that people will change and have love They hope the weak will rise and stand tough I DON'T KNOW IF I CAN Maybe it's just an experiment from the scientist Maybe the reason that most of the people are buyin this They're all in search of solution, that's why they tryin this I'm beside myself and I don't understand I need some time to breathe and Wake up from my master plan I don't fit in but I'm sure in no time I'll be on your shit list then you'll.. WELCOME HOME! When you come down.. WELCOME HOME! Come here with me.. WELCOME HOME! When you come down.. WELCOME HOME! HOME! HOME! Come here with me.. WELCOME HOME! When you come down.. WELCOME HOME! Come here with me .. WELCOME HOME! When you come down ... WELCOME HOME! HOME! HOME! HOME! HOME! Sick games with sick ways to play though Don't say no names or get smushed out like play-doh They put my name, stature in limbo then it all pops like a sawed of gage (oh!) Shoot the place, nobody is givin a fuck Street teams and big trucks, and driveways stuck With no bucks and you can chalk it up to bad luck But on the real muthafucka, your music just sucks I'm a quicka eater like a ego and choke your fuckin neck till you're beggin me to let go everybody warned you, I know because you said so but now you makin t-shirts in your basement, stealin my instrumentals Monumental and detrimental the one that that make me wanna slit you I'm holdin my son, holdin the gun, holdin it down, holdin the sound Forever I'm underground, so hear me now

When you come down.. WELCOME HOME! Come here with me.. WELCOME HOME! When you come down..
