

Something Good Can Work

Two Door Cinema Club

There's a spanner in the works, you know,
You gotta step up your game to make it to the top
To go-o,
Got a little competition now,
You're gonna find it hard to make it,
Livin' on your own, o-oh, o-oh

Let's make this happen, girl
You gotta show the world that something good can work
And it can work for you
And you know that it will

Let's get this started, girl,
We're movin' up, we're movin' up
It's been a lot to change, but yo-ou
Will always get what you want.

It took a little time
To make a little better
It's only going out,
Just one thing then another you kno-ow, you kno-ow

It took a little time
To make a little better
It's only going out,
Just one thing then another you kno-ow, no-o

Let's make this happen, girl
You gotta show the world that something good can work
And it can work for you
And you know that it will

Let's get this started, girl,
We're movin' up, we're movin' up
It's been a lot to change, but yo-ou
Will always get what you want.
