

## Spring

Two Door Cinema Club

I had watched you taking in the spring  
through dusty sun-kissed bodies wondering

Between you and me  
As if they don't see this distraction  
This beautiful view  
This delicate you in the way

If I follow you tonight  
And leave tomorrow  
If its all forgotten love  
forgotten love

If I follow you then  
I will need you closer  
One more day is not enough

Anything that I could ask of you  
Is more than anything that I could do

What did I say  
I cannot say I remember  
but every word  
Seems so absurd my love

If I follow you tonight  
And leave tomorrow  
If its all forgotten love  
Forgotten love

If I follow you then  
I will need you closer  
One more day is not enough

I don't mind  
If all this time  
Is all that we had to spend  
Everyone carelessly pretend

If I follow you tonight  
And leave tomorrow  
If its all forgotten love  
Forgotten love

If I follow you then  
I will need you closer  
One more day is not enough
