

Dreamworld

Two Witches

Dream wants you
to walk with me
Into the dreamworld
where no-one sees
Come with me
to a dreamcountry
Your secret world
inside you

I'm Morpheus
Come to me
I'll give you everything
I'll give you the deep sleep

Sleep, sleep now
Fall with me
Into a long night
In between days
See all those
Nice colours
Kinky fantasies
The way you want

I'm Morpheus
Come to me
I'll give you everything
I'll give you the deep sleep

Come to me
when you're not innocent
when you're not clean
when your dreams
are black and white
just black and white

I'm Morpheus
Come to me
I'll give you everything
I'll give you the deep sleep

I'll ride tonight
Into your dreams
Waves of my hand
I'll throw the sand
Nightmares and pleasures
I'll give to you
Please trust on me
The way you do

I'm Morpheus
Come to me
I'll give you everything
I'll give you the deep sleep

Deep sleep
Deep sleep
