

May You Be In Heaven

Two Witches

Goodnight, sweet girl
Goodnight
You were the love of my life
You were the one

How much for love
And how much more
My heart is still burning
For you

I ruined the carnival
I ruined the carnival
What should I do?
I would love you
I would love you
Were you the devil herself
What should I do?
What should I do?

Without a place
And with a place to rest
I burn myself
Away

Now without you
There won't be
A new Christmas Day
For me

I ruined the carnival
I ruined the carnival
What should I do?
I would love you
I would love you
Were you the devil herself
What should I do?
What should I do?

May you be in heaven
Half an hour before
The devil knows
You're dead

You were my harmony garden
In this frozen forest
The harmony garden
For a rest

My heart is black
Black as a stone
And the stone is on fire
For you

I ruined the carnival
I ruined the carnival
What should I do?
I would love you

I would love you
Were you the devil herself
What should I do?
What should I do?
