

Water's Leaking

Two

Water's leaking from the creek above
Makes me shaky
Pacing in the flood
The water's leaking
Goin' down in my tears
I am drowning in my fears
Keep my head up, don't fall in
Walk on water
I'll sink or swim
Down where it's clouding
Like I've never seen
Leaves me drowning
The water's leaking
Goin' down in my tears
I am drowning in my fears
Keep my head up, don't fall in
Walk on water
I'll sink or swim
