

# No Brakes

Ty Herndon

We won't know where we're going till we get there  
But baby you can dream while I drive  
Just tell me you'd go with me anywhere  
Take my hand and we'll wave goodbye.

As this engine winds cross the danger line  
Down the road, daredevil straight  
There's no stopping us, southbound sunup  
In love to wild to wait  
Oh, hearts wide open, no brakes.

There's a hunger for you running through me  
An endless unbeatable thrill  
And a spirit of life you give to me,  
So restless, so reckless and real.

As this engine winds cross the danger line  
Down the road, daredevil straight  
There's no stopping us, southbound sunup  
In love to wild to wait  
Oh, hearts wide open, no brakes.

You feel that lightning and thunder running through my veins  
A world of wonder, still untamed.

As this engine winds cross the danger line  
Down the road, daredevil straight  
There's no stopping us, southbound sunup  
In love to wild to wait  
Oh, hearts wide open, no brakes.

Hearts wide open, no brakes.
